

## ANSWERS

1. **corn – c + b = born**  
**along the**  
**bud – b + h = hud + sun = Hudson**  
**river**

*Franklin Roosevelt was born on January 30, 1882 in Hyde Park, NY. His parents' home, Springwood, stands along the Hudson River. Roosevelt always enjoyed spending time at his home and hoped to retire there.*

2. **liked to swim and sail**

*Roosevelt enjoyed these outdoor water activities.*

3. **assist + ant = assistant**  
**secretary of the Navy**

*Roosevelt served as Assistant Secretary of the Navy under President Woodrow Wilson.*

4. **camp + O + bell + O = Campobello**  
**eye + sand – s + l = island**

*Campobello Island was a family vacation spot for the Roosevelts. Off the coast of New Brunswick, Canada, it was here during the summer of 1921, that Roosevelt believed that he contracted polio, after an active day out in the water.*

5. **worm – o + a = warm**  
**spray – ay + kings – k = springs**

*Roosevelt established a rehabilitation center in Warm Springs, Georgia, believing that the water helped his legs after polio paralyzed them. This center has helped many people suffering from polio. It was also here that FDR died on April 12, 1945.*
